Reports

Barbara Lazier, President

I love September. The heat of the summer has begun to wane, soon the trees will begin to display their showy colours and our Guild meetings resume once again. Look around when you walk into the meeting room during the September meeting and see how many quilting friends you have missed during the summer; now look around and see what new quilting friends you can make. Remembering to wear your name tag every month ensures that everyone will call you by name.

September's meeting is always a milestone one for the Guild Membership. I would like to formally announce our annual Business Meeting. We will be approving our Financial Statements from last year (Attachment #1) and the Budget for this year (Attachment #2). Please read them carefully,

print copies and bring them to the meeting. Additionally, we will be reviewing the 2016 Quilt Show Financial Statements (Attachment #3). Questions are always welcome.

I know that many of us have been busy sewing up a storm during the heat these past few months and are looking forward to September's Show and Tell. My projects are not finished but I have made great strides toward completing my *Dear Jane* that I know one day in the future I will be able to hold it up with pride and declare it finally completed.

September is upon us, time once more to begin our routines. Have you made any new resolutions? Will you set a goal to keep your sewing space tidier, complete more quilts than you did last year, attend some of our wonderful Guild classes or UFO days, decide that you are perfect just like you are and continue on as you always have done: your choice, your way? We come in all shapes and sizes but we support one another in our love of quilting; may our sewing machines and needles hum throughout the next year in perfect harmony.

Margaret Thomas, Vice-President

Guild members are part of a large family and therefore very important to us. We like to reach out on your behalf and send a caring card to any member who may benefit from one. Please let me know if any member would be cheered up by a card from the Guild. (Please see Membership Directory on the website for contact information)

Cuddle Quilts

Tuesday, September 20 9:30 am - 2:30 pm

Place: Harmony Baptist Church, 1763 Upper James Street, above Rymal Road and across from the Egg and I Restaurant.

SUPPLIES NEEDED-- A project to work on, or a kit will be available for you. Bring your sewing machine if you wish. We supply cutting boards and rotary cutters, plus irons and ironing boards. We usually have hand sewing to be done, so if you don't want to bring your machine, you don't have to. Please just come out and have some fun with us.

I will be bringing quilting kits to the Guild Meeting for those of you who can't make it on Cuddle Quilt day. So please come see me in the Green room to pick up a kit. If you are making your own quilt for Cuddle Quilts, please, just a reminder that 100% cotton material is much appreciated.

Program and Workshops

September brings the start of a year of fun filled workshop and stitch-out activities. Our first workshop is a UFO day on [September 17](#). This will cost \$10.00. For our first stitch-out, on [September 28](#), we have arranged for 3 quilt shops to visit us for a shop hop. We'll be treated to goods from The Quilted Cardinal of Beamsville (thequiltedcardinal@yahoo.ca), Feathering Quilt Shop of Dundas (featheringquiltshop@cogeco.net) and Heirloom Treasures Creative Sewing Studio of Paris (heirloomtreasures01@gmail.com). We are planning for a fourth shop but haven't finalized arrangements yet. The shop owners are excited to come and invite you to check their websites before the event. Please bring your cash, your friends and your support for this great opportunity to shop without leaving the city.

October will see Maureen Czernada teaching us Curved Piecing at our "Saturday at Greenville" workshop. Maureen is a great quilter whose mastery of curved piecing will amaze us and have us making our own curved piecing project. \$30.00 is a bargain for this class.

October's stitch-out will present "Quilting Fundamentals". Gail Berry-Graham's class will cover basic care and maintenance of your sewing machine, choosing needles and thread, care and folding of your fabric and the importance of some good basic tools. She will also touch on the best way to add borders and prepare your quilt backing. Gail has a wealth of information for us and this class is open to all members but is **REQUIRED** for anyone signing up for Gail's "Beginner Quilting" series which runs over 3 stitch-out nights (November, January and February). Cost is \$5.00 for the October class and \$15.00 for the 3 class series.

We have also planned free demos for some stitch-out nights. In October, we'll show you several placemat patterns and Cuddle Quilts will provide you with a take-home kit for placemats to donate to Meals-On-Wheels.

Join the workshop committee (Nan, Kerry, Sue and Kate) in the Green Room on guild night to sign up for these events. Our committee exists to meet guild members' needs. We would love to hear your thoughts on the types of classes you'd like to attend. Please feel free to contact us in person or by email. We are looking forward to a great year.

Stitch Out is the 4th Wednesday of the month, 7 to 9 pm at The Church of the Resurrection.
